A gift to CIAS makes a difference

Want to make a lasting difference in food systems, farming and the environment? Since 1989, CIAS has been addressing challenges in agriculture and food to meet the needs of present and future generations. There are several ways that you can invest in our work whether through annual gifts, challenge grants or endowments and naming opportunities.

Specific giving options

- Director’s Leadership Fund
- Beginning Farmer Scholarship Fund
- Graduate Student Assistantship
- Culture of Agriculture Fund
- Program Leaders
- Named Directorship
- Endowed (named) Center for Integrated Agricultural Systems

Contacting CIAS

Get in touch with us for more information on the options listed above, or to explore your specific giving interests. We look forward to hearing from you.
