A gift to CIAS can be put to work in several of our priority areas.

- Healthy food
- Healthy farms
- Next generation of farmers
- Diverse agriculture
- Farm to School
- Urban agriculture
- University student support

Supporting CIAS

CIAS depends on the generosity of our supporters to achieve our vision of sustainable agricultural and food systems. Less than half of our annual budget comes from state funding; the rest is raised through external grants and private contributions.

You have several options available to you when giving. An annual gift is put to work immediately. An endowment is placed in a long-term investment by the UW Foundation. The principal grows over time, providing a lasting source of support, while a portion of the proceeds goes toward programming each year.

There are many ways to support CIAS with a tax-deductible donation

- Annual giving
- Matching gifts
- Endowments
- Naming opportunities

Contacting CIAS

We would love to have a conversation with you about your goals, our programs and the giving options that are available.
