INTRODUCTION TO
URBAN AGRICULTURAL SYSTEMS
COMMUNITY & ENVIRONMENTAL SOCIOLOGY • SOC 375-003
FALL 2020 • 1 CREDIT • ALL ONLINE

THE COURSE
Wednesdays, 1:20-3:15 pm
October 21-December 9, 2020

This online course is open to UW-Madison students and community members.

Instructors: Marcia Caton Campbell, Martin Bailkey (Rooted) and guest presenters.

THE DETAILS
Learn the basic characteristics of urban agriculture as an important part of a community’s food system; with an emphasis on food justice and social equity. This course is a companion to the more practice-oriented ‘Farming In The City’ 8-week spring course.

Information: cias.wisc.edu/sua martin@rootedwi.org

This course is part of the School for Urban Agriculture, a partnership of the Center for Integrated Agricultural Systems at UW-Madison, Rooted, and the Michael Fields Agricultural Institute, with support from the US Department of Agriculture.
