Call for Posters – Poster Submission Form

2017 Green Lands Blue Waters Conference • Nov. 28-29, 2017

Pyle Center, 702 Langdon St., Madison, WI 53706

The UW Center for Integrated Agricultural Systems is hosting the [2017 Green Lands Blue Waters Conference](#) November 28-29th at the Pyle Center. [Green Lands Blue Waters](#) is a regional consortium working to improve soil and water quality by increasing continuous living cover on the agricultural landscape of the upper Mississippi watershed. The theme of this year's conference is *Continuous Living Cover: Bridging the Gaps with Livestock*. **We are seeking posters that provide ideas and information relevant to the goals of Green Lands Blue Water and to the topics listed below. Deadline for submission is November 8, 2017.**

1. Presenting Author Contact Information:

Author Name: _____

Poster Title: _____

Email Address: _____

Phone Number: _____

2. Description of Poster (200 word maximum):

3. Green Lands Blue Waters Poster Topics: What Green Lands Blue Waters Continuous Living Cover topic does your poster connect to? (Check the topic that is most applicable)

- _____ Cover Crops
- _____ Agroforestry
- _____ Perennial Forages
- _____ Perennial Biomass
